TWO YOUNG SOCCER PLAYERS MEET NICOLE LIVINGSTONE.....

Nicole Livingstone with Celia and Marco Kelso.

Marco Kelsall who plays in the U10 Panthers and his little sister Celia who plays in the U8 Pumas were both lucky enough to meet Swimming Champion Nicole Livingstone at a special Sports Breakfast hosted by Frankston City Council on 15th March this year.

Marco was recognised for his achievements in his life saving club and took Celia as his guest. Celia also does Gymnastics.

TEAM PROGRESS REPORTS:

UNDER 6 COUGARS:

Round 5: The return match against the Pumas. What a game!! The closest game that I have ever seen. Both teams played their little hearts out, and the Pumas deservedly earned the win!! Of particular note was Connor saving two fine shots that were heading without a doubt on goal.

Final scores: Peninsula Cougars 0, Peninsula Pumas 1

Round 6: The Cougars played the Peninsula Panthers winning a very tight game, Scott MacDonald scored the only goal of the game. Both teams played well, with only a few scoring chances, the midfield for both teams were both very busy. It was great to see fantastic sportsmanship between both teams, that was a real high light, and a joy to behold that our little precious children can demonstrate this quality that many adults seem to struggle with.

Final scores: Peninsula Cougars 1, Peninsula Panthers 0

UNDER 7 COUGARS:

Round 5: We played at home against Rosebud. The boys won, our goal scorers were Nathan Fulton 2, Luke Janson 2, Ryan Hammel 2 and Ben Hawkes 1

Final scores: Peninsula 7, Rosebud 0

Round 6: We played the Pines at their ground. It was a wet start to the game. Cambell LeCornu had a fantastic game in goals and I would like to see him spend more time there. He performed a number of great saves. Another standout was Mitchell Taberner who is improving with every game. Nathan Fulton and Luke Janson were both playing against there old team. Both boys kicked Hat-tricks. James Long scored 1 goal and there was 1 own goal.

Final scores: Cougars 8, Pines 2.

Round 7: BYE

Round 8: We played at home against Mornington Tigers. The boys played their best quarter of the year with some great team play and strikes on goal. We were 2 players short and the boys had to work extra hard. Cambell LeCornu played in goals for 3 quarters because he had a sore ankle from falling out of a tree during the week. He performed some brilliant saves in the last quarter. Kyle Paton and Ryan Hammel played their best games of the year. Goal scorers Kyle Paton 2, Nathan Fulton 1 and Ben Hawkes 1.

Final scores: Cougars 4, Mornington Tigers 3

The boys are still undefeated this year and are all looking forward to Gala Day.

UNDER 9 PANTHERS:

Round 6: Our game against the Pines was an easy win to the Panthers with great input from everyone. Troy scored his first goal.

Final scores: Peninsula 9, Pines 0

Round 8: It was an exciting game with both defences working really well. Lachlan scored a great goal and Alex and James L were close to scoring, but had no luck. Langwarrin hit back with a good goal in the second half, a draw would have been a good result but a corner paid in the dying minutes saw Langwarrin win 2-1. Everyone agreed it was a great game.

Final scores: Peninsula 1, Langwarrin 2

UNDER 13A BOYS:

Round 5: The boys got off to a flying start with 2 quick fire goals. Berwick decided to strike back and the boys knuckled down again. Perhaps the best goal was from our reliable left back Danial Dixon for his first of the season. Well done boys... Next round an undefeated Mornington away.

Final scores: Peninsula Strikers 7, Berwick 1

Round 6: **Final scores: (Loss) Peninsula Strikers 0, Mornington 1**

Round 7: **Final scores: (Win) Peninsula Strikers 3, Hampton 0**

Round 8: **Final scores: (Draw) Peninsula Strikers 0, Bentleigh Greens1**

TEAM PROGRESS REPORTS:

UNDER 13 GIRLS:

Round 5: With our confidence dented after last week's loss, and without the luxury of training this week and some players missing. After 2 big losses it is now time to go back to basics.

Chins up, girls, Go team!

Final scores: Peninsula 0, Boronia 8

Round 6: We had a bye this week but for a bit of extra training and a chance to build the girls ball skills and confidence we decided to play a friendly against Knox City at Home. 2 evenly matched sides slogged it out for 60 minutes and had a cracker game. The result didn't matter today, but the girls played did. The hunger for the ball was great to watch,

Peninsula (0), Knox City (1)

Round 7: We had two firsts today: Our brand new Uniform, and for the first time, three reserves sitting on the bench!!!! The start was a little sluggish, and with 3 new players the side had to adjust to the new team structure.

The second half was great to watch as Peninsula took charge of the match, and gradually strengthened team play, creating many forward runs with Caulfield hanging on with grim determination.

The only goal of the match came 2 mins before half time. where a Caulfield forward launched a great kick over a packed 16 yard area.....Go Girls!!!!!!!!!!

Final scores: Peninsula 0, Caulfield United 1

Round 8: The first 15 minutes were exciting. Peninsula took the game right up to Essendon, who were genuinely shocked by the pressure the Peninsula Girls applied. Peninsula put all the training this week into effect, and the opposition was rattled. Peninsula had Essendon pinned down in their own defensive area for what seemed like an eternity, but couldn't put the goal away. Then things started to slip away..... We learned an important lesson this week against 2nd Place Essendon, never give up, never give up, never give up! Teamwork, teamwork, teamwork!

Final scores: Peninsula 0, Essendon Royals 7

UNDER 14 GIRLS:

Round 5: Another gorgeous day weather wise and the girls looked awesome in their new strip, eager and keen for another win. Peninsula kicked off and kept possession of the ball for most of the match. Our midfield stayed strong and continued to control the ball. Well Done Girls, another FANTASTIC result.

Final scores: Peninsula 2, Beaumaris 0

Round 6: Another AWESOME game by the girls.....Absolutely everyone put in 110% and the results speak for themselves. Fantastic teamwork, lots of great passes, everyone was focused and really concentrated on the game!!!!

Final scores: Peninsula 7, Richmond 0

Round 7: Once again everyone put in 110% - Our defence worked hard and intercepted the ball, keeping Brunswick scoreless the whole match. Our midfield controlled the ball and pushed the play through to the forwards who put pressure on Brunswick's keeper time & time again.

Another fantastic result girls - **WELL DONE.**

Final scores: Peninsula 4, Brunswick Zebras 0

Round 8: It took Peninsula a little while to get going but after some great teamwork, three goals were scored in the first half. Sherbrooke were kept goal-less the entire match, after a great save by **CHELSEA** in goals. The fourth goal came late in the second half and Peninsula finished with a good result.

Final scores: Peninsula 4, Sherbrooke Rangers 0

UNDER 18 BOYS:

Round 5: The boys faced a very in-tune Heatherton Utd team today who gave them a very tough time in the first half with us being 5-0 down. After a few position changes in the second half the boys worked well and managed to fend them off a little better but were still unable to finish the forward chances that they had.

Keep your chins up guys.....

Final score: Peninsula 0, Heatherton Utd 7

Round 6: Langwarrin's back line certainly knew how to keep our chances of goals becoming a reality today with several good tries being made.

Keep trying guys.....don't give up

Final score: Peninsula 0, Langwarrin 3

Round 7: A GREAT game was played today against the Pines. Everyone put in 110% and kept the pressure on all day. The guys forcing the Pines to make mistakes which they then took advantage of.

Well done Guys.....

Final score: Peninsula 1, Pines 0
