## The wait is over...

The new logo has now been selected based on all votes and a final decision of the two club's committees. The winner of the Rebel Sport voucher is Lawrence Hall. Congratulations Lawrence.

Thank you to everyone that tried so hard and put in so much effort to come up with the new logo.

The selected logo is nothing usually seen in other clubs. Its modern look demonstrates the forward vision of the club. Its wave design represents a constantly forward flowing effect and therefore demonstrates the young and forward culture of the club and the future of the sport.

The new logo and newsletter name will be launched in our next newsletter.

# UNDER 18'S PLAY THE VETERANS.....22<sup>ND</sup> JULY

**FINAL SCORE: UNDER 18's 2, THE VETERANS 1**

## NEWSLETTER EDITOR/PARENTS REPORT:

A very entertaining game between the Under 18's and 'The Veterans' was played today. Some very strange decisions were made by the Ref (Davo).....

- 50 mts given for not giving the ball back, in favour of 'The Veterans'
- A goal disallowed to the Under 18's due to a fellow team mate being topless
- Referee interference by kicking the ball himself (several times.....)
- A girlie free kick at goal to 'The Veterans' as our goalie didn't have his gloves on when he stopped one of their attempts at goal
- A penalty shot called as the Under 18's goalie was said to be a little too rough towards 'The Veterans'
- Final whistle blew just as the Under 18's were about to get their 3<sup>rd</sup> goal (coincidence or what!!!!!!!!!!)

For the spectators, there were some pretty scary sights to be seen on 'The Veterans' bench....with bare chests clearly visible during top changes (sunnies were definitely a necessity)

Overall everyone really enjoyed the game. Special thanks to all the parents who played and congratulations must go to Meredith Woodward who was the only woman brave (or silly) enough to get out there and play with all the guys. Lets hope that all 'The Veterans' will be able to walk again by this time next year.....I am sure they all found muscles they didn't know existed until after the game.

## VETERAN PLAYERS REPORT:

First of all I would like to thank all the Veterans and not so Veterans for playing. Everybody had a great day and the game was played in good spirit. I would also like to thank Davo for his time and his flawless refereeing. From where I was standing, I didn't see anything wrong with any of his decisions. (Ha Ha). All the oldies felt young again while they were lacing up boots and getting changed. I would have to say we played quite well for our ages but some of us were feeling a bit sore for a few days afterwards. I would also like to say thanks to Meredith Woodward who played a outstanding game, even though some of her tactics were not by the book. The kids of the parent who played also enjoyed watching the game and seeing a highly skilled Veterans outfit. Thanks very much to the under 18's who played well but would be disappointed with there win. I'm sure they are looking forward to a re-match as much as we are. After the game we all enjoyed a BBQ and tried to get lots of fluids back into our bodies. CHEERS to all involved. See you at the Re-Match.

## TEAM PROGRESS REPORTS:

### UNDER 13 GIRLS (Continued):

Round 12: After beating this side comfortably earlier in the season the biggest danger was that Peninsula would expect an easy win, but Brighton showed just how much they too have improved so all who watched were treated to a great game of soccer.

**Final scores: Peninsula Peninsula 1, Brighton 0**

### UNDER 14 GIRLS:

Round 9: Peninsula kicked off into the wind and started off slow. Our first goal came from a penalty. Second half and the girls were hungry for more goals. Peninsula kept the pressure on and found that Caulfield were reluctant to challenge. After some great teamwork two more goals were scored, for a total of 4. We have steadily climbed up the ladder to

**second place !!! and What a wonderful view from up there!!!!**

**Final scores: Peninsula 4, Caulfield United 0**

Round 10: Unfortunately Sunbury did not have enough players so elected to forfeit the game. This gave us the three points but the girls were disappointed that they did not get the chance to earn the win.

**Final scores: Peninsula 3, Sunbury Utd 0**

Round 11: Mud, mud & more mud..... The ground at Baxter was soggy, wet and smelly!!!! The girls initially tip toed around the puddles but soon found it impossible to keep clean & dry.....next best thing, WAR PAINT!!!! The girls huddled together and applied stripes of mud on their cheeks ready to do battle with Baxter & **BOY did they play an AWESOME game!!!!!!** Absolutely EVERYONE put in a fantastic effort..... with Marisa scoring a HATRICK!!!!

**Final scores: Peninsula 5 - Baxter 0**

Round 12: Sunday saw the Peninsula girls face Dandenong Thunder the only unbeaten side in the competition. The start of the game proved to be a tug of war with Peninsula and Dandenong both vying for the opportunity to score first. Peninsula were relentless and put pressure on Dandenong by attacking the ball and keeping possession which allowed us to score the first goal!!! **An amazing effort by everyone & Sapphire scored her first goal!!!**

**Final scores: Peninsula 3, Dandenong Thunder 2**

Round 13: We had a shuffle around of everyone's positions this week which meant all the girls played out of their comfort zones.....nevertheless everyone gave it their best shot & tried really hard. It took a little while but after many attempts at goal Peninsula were finally rewarded.

**Final scores: Peninsula 1, Hoppers Crossing 0**

### UNDER 18 BOYS:

Round 9: A great game was played today with everyone putting in and playing as a team, which certainly paid off in the end. It was a very close, evenly matched game and definitely got a little tense at times.

It is also great to always see so many of our parents supporting the boys, even on the chilly days like today!! I am sure, deep down inside the guys do appreciate the support.....

**Final score: Peninsula 3, Seaford 2**

Round 10: Another GREAT win this week against a real rival team, Chelsea. The guys kept the pressure up all game. It was a full on team effort, everyone played at a high level. The score was 0-0 at 1/2 time, then an amazing goal was kicked by Dan, which set the ball rolling.....so to speak!!!

**Final Score: Peninsula 2, Chelsea 1**

Round 11: Today we faced the top team in our league. It was a tough, tension filled game on a very rough and muddy pitch (nobody came off clean.....)

Our goalie Johannes certainly earned top marks today making some absolutely superb saves (the final score could have been a lot worse), while at the other end Dan tried his hardest several times to beat the opposition and get the goals we desperately wanted.

**Final score: Peninsula: Peninsula 0, Berwick 9**

Round 12: **CHECK MAIN STORY!!!!!!!!!!!!!!**

**Final score: Peninsula Under 18's 2, Veterans 1**

Round 13: A very scrappy game was played today with many attempts at goal but very few actually even making it towards the nets.....a bit more concentration and team work may be needed guys.

The best goal for the day I would have to say was an own goal, a fluke shot which came off the back of a Rosebud boot and just seemed to float over the top of everyone and right into our goals!!!

**Final score: Peninsula 3, Rosebud 1**
