

## 2009 Season Launch – Sunday 19 April 2009

Firstly, on behalf of the Committee, a big warm welcome to the Peninsula Strikers Junior Football Club for season 2009 to all new and returning players and parents. It is shaping up to be a big year for the club.

To get the ball rolling, the club season launch was conducted at Ballam Park. Support for this event exceeded the expectations of most. An appearance by Danny Allsopp and Mathew Kemp from the all conquering 2008/2009 Melbourne Victory team was the highlight of the day for most, with the queue to get pictures with and autographs from the pair stretching back quite some way.

Special Thanks to our sponsors Colby Southern, that kindly sponsored the players appearance. Colby has been one of our major sponsors since 2006. Out on the pitch, all the kids were given the first chance to stretch their legs and display their skills with a number of small sided football (SSF) games being played.

The feedback I received from parents and kids was all very positive with regards to the new format and SSF Co-Ordinator and U9 coach Craig Paton deserves a big well done for all the hard work he has put in over the off season to make the transition to SSF a success.

Special guests Danny Allsopp and Mathew Kemp proved extremely popular.

It's all eyes on the ball during one of the many Small Sided Games played throughout the morning.

## The view from the HILL

On Sunday, the regular contingent from the Junior campus attended Centenary park for Round 3 of State League 3 SE action. The firsts enjoyed their first win of the season, with 2 second half goals enough to take the points against North Caulfield. The result has propelled the team to 4<sup>th</sup> on the table after 3 rounds. Outside of the goals, the highlight of the day for the boys on the hill was watching Davo take the 'bucket' to the ref after he was taken out by a ball to the face during an attempted North Caulfield clearance. Despite instructions from the crowd, Davo didn't empty the buckets contents on his head, and did a great job of appearing genuinely concerned for the welfare of the 'Man in Black'. The big question for the day was what happened to the 'Big Esky', with the guys forced to hike to the clubrooms for refreshments through-out the afternoon.

The reserve team had their first draw for the year (2-2), following successive wins against Nunawading and Springvale City to also sit in 4<sup>th</sup> on the table.

A number of the Junior committee, coaches, players and parents attend the Seniors games, and we invite all players and parents to come along and join us in supporting the Seniors.

## POSITION VACANT

### CANTEEN MANAGER

The committee is currently exploring a number of options with regards to the day to day running of the canteen. As part of the process, the club currently is seeking expressions of interest from suitably qualified and experienced people that may be interested in running the canteen on Match days.

Ideally, the successful candidate will have the relevant food handling qualification and some level of experience in a similar role. The outgoing canteen manager will provide assistance/training to assist during the early part of the season. The role would consist of approximately 5 hours Saturdays and Sundays, and would commence in the role asap after the recruitment process has been completed.

A suitable remuneration package will be negotiated with the successful candidate.

Interested parties are encouraged to contact Peter on the contact details below.
