

## SPONSORSHIP PACKAGE DEALS FOR SEASON 2010

A variety of sponsorship packages are currently available. You can choose just from a sign along the fence, a one-off team or all teams in the club. Your business logo or name will be placed on the back of the shirt above the player's number or on the front, which is a place clearly visible from any location around the ground. Approximately 400 players will be seen in a 30km radius around Frankston from Berwick to Brighton, all the way down the Peninsula to Western Port and all the way North to Sunbury and even Ballarat. The cost of logos is not included in the prices indicated but can be arranged at an additional cost, if required.
